

EMMANUEL W. WAKHONGOLA

Aspiring Management Trainee | BSc. Mathematics & Computer Science | Data Analysis (Python, SQL, ML)
Nairobi, Kenya • +254 791 952 584 • wangilaemmanuel06@gmail.com • github.com/WangilaWakhongola

PROFESSIONAL SUMMARY

Recent BSc. Mathematics and Computer Science graduate (JKUAT) with a strong analytical foundation and hands-on IT and data experience. Comfortable working in fast-paced, dynamic environments, having supported live IT operations at TotalEnergies Marketing PLC. Quick to learn new systems and processes, detail-oriented, and motivated to build a career in banking and financial services through I&M Bank's Management Trainee Programme, contributing strong problem-solving, numerical, and technology skills to the Group's strategic goals.

CORE COMPETENCIES

- Analytical & numerical problem-solving, grounded in a Mathematics degree
- Data analysis & interpretation: Python, SQL, Excel, R, Power BI
- Fast learner, adaptable to new tools, teams, and dynamic work environments
- Clear communication and customer-facing IT support experience
- Attention to detail, process discipline, and ownership of tasks to completion
- Foundational understanding of cybersecurity and networking principles

PROFESSIONAL EXPERIENCE

IT Support — Industrial Attachment, TotalEnergies Marketing PLC

June 2025 – September 2025 | Nairobi, Kenya

- Delivered IT operations support in a live corporate environment, troubleshooting PC, software, and end-user issues under time pressure — building comfort working in a fast-paced, structured setting.
- Assisted with network administration and system monitoring as part of the wider IT team, coordinating with colleagues to resolve issues efficiently.
- Applied cybersecurity protocols in daily IT operations, reinforcing attention to detail and adherence to procedure.

EDUCATION

BSc. Mathematics and Computer Science — Jomo Kenyatta University of Agriculture and Technology (JKUAT)
